IT IS AGREED AS FOLLOWS:

- The rent is personal; it is prohibited to under rent, or assign the rental to third parties. Tents are not allowed on the pitch. For safety reasons, minors are not accepted other than accompanied by their parents
- In high season (from June to the end of August) the rent is from saturday to saturday. The arrivals are from 3 :00pm and the departures between 8:30 am and 10 :00am (book an appointment the day before the departure, for the state of the mobil-home).
- The tenant engages himself to respect the interior rules of the camping site as posted at the entrance; he will especially respect his neighbours and avoid any noise between 10 pm. and 8 am. Neglecting this clause may cause expulsion without reimbursement of the stay.
- All reservations will be validated by the reception of the lease contract duly filled and signed, accompanied with a advance representing 50 % of the amount of the stay including set-up fees (10 €). The balance is to be paid the day of the arrival. You have to have an insurance against theft, the fire, the bad weather, and in civil liability. The broken glass is under your own responsibility
- Be warned that in case of arrival delay. After 8 :30 pm, without a call from your part, the camping site has the right to take disposal of the accommodation. From the next day noon and always without news from you, your reservation will be cancelled and reimbursement will be made
- In case of a disclaimer 1 month before arrival date, your down payment will be reimbursed when it concerns proven hospitalization or other such severe matters. The paid administration fee will be kept by the camping site.
- When the stay is already begun there is no possible refund because of early departure, whether it that is the reasons. The days of absence will not be deducted
- In case of force majeure and it is true before a date of the stay, if the camping could not honor the reservation, the advance would entirely be paid off.
- Every person not mentioned on the contract will not be accepted in the renting (the renting cannot welcome that the maximum number of people authorized).
- Pets are admitted with the condition that they are vaccinated (vaccination document required), **walked at a leash and done their business OUTSIDE of the camping**. Pets are not allowed to stay alone at the camping.
- Visitors can be admitted on the camping site when first presented to the reception desk with an identity document. They have to park their car outside the camping site.
- At your arrival a deposit of 200 € will be asked. It will be returned the day you leave after the check-out. Cleaning of the rental is under your responsibility. After your stay the rental has to be returned in perfect state of cleanliness. If not, 100 € will be kept on your deposit by the camping. Any deterioration will be immediately charged and settled.
- At arrival you should check the inventory of the hired property and inform us within 24 hours of any abnormalities. After this period your report will not be taken into consideration
- It is necessary to plan hand towels, sheets, cases of bolster and pillows, linen and cleaning products..
- NO SMOCKING in the mobil-home.

I agree to comply with the camping regulations and i agree to pay the balance of my stay at my arrivals.
